Biz yoshlarga doir davlat siyosatini hech og'ishmasdan, qat'iyat bilan davom ettiramiz. Nafaqat davom ettiramiz, balki bu siyosatni eng ustuvor vazifamiz sifatida bugun zamon talab qilayotgan yuksak darajaga ko'taramiz. Yoshlarimizning mustaqil fikrlaydigan, yuksak intellektual va ma'naviy salohiyatga ega bo'lib, dunyo miqyosida o'z tengdoshlariga hech qaysi sohada bo'sh kelmaydigan insonlar bo'lib kamol topishi, baxtli bo'lishi uchun davlatimiz va jamiyatimizning bor kuch va imkoniyatlarini safarbar etamiz.

Shavkat Mirziyoyev,
O'zbekiston Respublikasi Prezidenti

We will continue the state politics on the youth with resolve and consistency. We will not only continue, but also will raise this politics to the higher level in line with the latest requirements as our top priority task. We will channel all available strength and capabilities of our state and society to raise our youth as happy and independently thinking people with high intellectual and spiritual potential, who stand not inferior in any sphere to their contemporaries in the world.

Shavkat Mirziyoyev,
President of the Republic of Uzbekistan
